

Factsheet

Care Corner Singapore

Organisation

- Non-profit charitable organisation since 1981.
- Institute of a Public Character (IPC) status.
- Supporting the vulnerable, disadvantaged and isolated in the Singapore community.

Vision

Care to every corner in Singapore

Mission

Building hope and promoting well-being of individuals and families in community through social and health care services.

Strategic Thrusts

- To strengthen and empower families and individuals towards improvement in well-being and resiliency.
- To nurture and develop children and youths towards positive self-identity and realise their potential in the community.
- To care for and support seniors to age well in place.

iCARE Values

Five Key Services

Family Services [FS]

render assistance to individuals and families facing family functioning and social functioning difficulties.

Youth Services [YS]

offer a range of holistic youth programmes designed to help young people develop pro-social values and essential life skills.

Mental Health & Counselling Services [MHC]

provides counselling support for individuals & families who struggle with mental health, relationship and life challenges.

Seniors Services [SS]

support vulnerable seniors to age well in place in the community by ensuring that they are physically, emotionally, socially, spiritually, vocationally, and intellectually engaged.

Children Services [CS]

undergird children from less advantaged backgrounds to grow intellectually, emotionally and socially to enable a promising start in their early developmental years.
